## About Kaviani saffron

Kaviani saffron production, agriculture and knowledge-based complex is located in the beating heart of world saffron production, ie South Khorasan province - Ferdows city.

This powerful collection was established by Mr. Majid Kaviani and managed by his family members.

Mr. Majid Kaviani has a master's degree in e-commerce business management.

One of the valuable achievements of Kaviani saffron in the natural production of saffron is the non-use of pesticides and chemical fertilizers and the use of groundwater and Baladeh aqueducts with world fame.

Employing experienced personnel, with academic education, has created different products in terms of quality in this collection and has led to successful and large-scale exports to more than 20 countries around the world.
